

Compositions Of The Modern English Musicians Form Pleasing Concert

By OLIE P. LANSBERRY

MRS. GERTRUDE SMITH directed the program given Tuesday evening by the MacDowell club at the Woman's club house. The program was formed of compositions written by modern English composers and was given in manner making each number much appreciated. Miss Helen Stewart gave the opening number, a biographical sketch of modern English composers, and the first musical number was by Miss Ruth Jaffrey, who played the "Little Waltz" by Cyril Scott, in delightful manner. Mrs. David V. Penney played a sonata by Purcell, and George Haland was at the piano for this number. He also gave two piano solos, Serenade (Bennett) and Oedipus Rex (Stanford). Mrs. Y. D. Grimes sang in beautiful voice two songs, including "The Lass With the Yellow Hair" and "The Something Sweet to Tell You." Miss Florence Criesey and Mrs. Ralph Henderson, accompanied by Mrs. Walter T. Penney, rendered in charming manner Goyard's "Pastorale" and "Abandoned" duet for piano and voice. Frank Chalk sang "Blow, Blow, Then Winter Wind." Heartily applauded H. E. Van Burdum when he appeared to sing, both in appreciation of his singing and as a welcome home for Mr. Van Burdum formerly lived in this city.

A "DEAD SHOT" SAYS MINISTER

Black-Draught Given High Praise As a Stomach and Liver Medicine by Well-Known Old Gentleman Who Has Used It.

Minneapolis, Texas.—The Rev. M. G. Jenkins, a retired minister of the M. E. Church, South, living in this city, says: "I have used Black-Draught as a stomach and liver medicine, and have never found it equal."

Once I suffered for two months with cramps and pains, tried everything I could hear of without avail, but Black-Draught was a "dead shot."

I am known here and all over the state for my honesty and truthfulness. I am 78 years old and have used Black-Draught for years.

I can highly recommend it to any one as a liver medicine that has no equal. It is excellent for stomach, liver and other ailments. I use it for a bad taste in the mouth, headache and other sicknesses that come from the disorders of the liver.

Thedford's Black-Draught is purely vegetable, and acts actively on the bowels, gently stimulating the liver, and helping to increase the normal discharge of bile into the intestines.

It assists in the digestion of food and relieves constipation in a prompt and natural way.

Try Black-Draught. Buy a package of Black-Draught today.—Adv.
